

Lesson 20

“I WAS BLIND BUT NOW I SEE!”

John 9:13-41

Key Verse: 25

1. With whom did Jesus' healing of the blind man cause an issue and why (13-16a)? What did others ask (16b)? What did the former blind man say about Jesus (15,17)?
2. How and why did the Jewish leaders try to disprove the blind man's healing (18-19)? What did the man's parents say and why (20-23)? What pressure was put on people not to acknowledge Jesus as the Messiah? How about today?
3. How did they pressure the former blind man to recant and testify against Jesus (24; Jos 7:19)? How did he answer (25)? What can we learn from him? Can you testify to any facts of what Jesus has done in your life?
4. Why did they keep grilling him (26)? How did he answer (27)? What angered them (28-29)? How did he refute their blind ignorance (30-33)? What did it cost him to stand on the truth (34)?
5. What greater blessing did Jesus give this man and why (35-37; 20:31)? How did he express his faith (38)? How can we be healed of spiritual "blindness" (39-41)?
