RELIEF WORK

From its early stages, UBF has carried out many philanthropic activities. Every year, U.B.F. has been helping people who suffer from natural disasters, orphanages, nursing homes for tuberculosis patients, sanatoriums and other good causes in many countries all over the world.

“Then Jesus came to them and said,
‘All authority in heaven and on earth has been
given to me. Therefore go and make disciples
of all nations, baptizing them in the name of
the Father and of the Son and of
the Holy Spirit...’”

WORLD CAMPUS

UNIVERSITY BIBLE FELLOWSHIP

UBF is an international evangelical church (non-denominational) and network of house churches dedicated to Christ and his kingdom. Our main focus is to study the Bible, grow in the grace and knowledge of our Lord and Savior Jesus Christ, and live according to his teachings. We especially pray to reach college students and help them grow as his lifelong disciples. Our goal is to obey our Lord's commands to love one another and to go and make disciples of all nations (Jn 13:34; Mt 28:18-20). We pray that God may continue to call and raise lay missionaries through us and send them to the ends of the earth (Ac 1:8).

WHAT WE BELIEVE

- We believe that there is one God in three Persons: God the Father, God the Son, and God the Holy Spirit.
 - We believe that God created the heavens and the earth and all other things in the universe: that He is the Sovereign Ruler of all things; that the Sovereign God reveals Himself; we believe in his redemptive work and in his final judgment.
 - We believe the Bible is inspired by God; that it is the truth; that it is the final authority in faith and practice.
 - We believe that since the fall of Adam, all people have been under the bondage and power of sin and are deserving of the judgment and wrath of God.
 - We believe that Jesus Christ, who is God and man, through his atoning, sacrificial death on the cross for our sins and his resurrection, is the only way of salvation; he alone saves us from sin and judgment and purifies us from the contamination of the world caused by sin.
