2. How do believers deceive themselves (22)? With what analogy does James describe such people (23-24)? Why is doing what God’s word says so important?
3. How does James describe the law, and how is it related to “the word” in this passage (25)? What blessings are given to those who continue in it?
4. What kind of religion is worthless (26)? What is true religion that God accepts (27)?
