

# Beautiful Feet – HBF newsletter

**Note from Sam:** We are very excited to re-launch *Beautiful Feet*. The goal of this newsletter is to help us improve our communication and co-working with parents, family members, Bible teachers and mentors of our HBF students. We sincerely hope this newsletter helps us stay connect as ministry and prayer partners of God’s work in our high school students.

This is a very exciting time in our HBF ministry every year as we start the new school year. We are excited to embrace a new group of freshmen. And we are excited about a new leadership team that welcome Esther Ahn and Miriam Pierce to its team. In the month of September, we hope to begin a study of our HBF key verse (Lk 2:52), mission/vision statement and our core values. It is our prayer to be unified in these things as we look forward to a great year full of God!

## Update from Missionary Francis Choi

"God does not call the qualified. He qualifies the called."

We often think in order to participate in God's Kingdom work we need a certain level of intellect, talent or ability. But when we observe the Gospel we see God empowering ordinary men and women to do extraordinary things for Christ. Jesus changed a group of uneducated, lowly men into powerful Gospel workers who changed the course of human history. The first resurrection witness was a poor woman Mary Magdalene who had no idea what God had in store for the world. When we simply receive the Gospel deeply into our hearts, God does amazing things in and through us for His kingdom and glory. It is the power of God for everyone who believes. Like Paul let our motto be "For I resolved to know nothing except Jesus Christ and Him crucified." (1 Cor 2:2)

Theresa and I pray during our time abroad in the mission field of Uganda we can set our hearts on Christ above and take part in His kingdom work starting with the students. We also pray to be an encouragement and build up the missionaries and disciples of Christ here at Makerere UBF.
