

WORLD MISSION PRAYER TOPICS

March 14, 2020

“For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.” (Mark 10:45)

CORONAVIRUS OUTBREAK

It's now a pandemic! The virus is now spreading rapidly in European countries, North America, and Middle East. Schools are closed, food stacking is common, and large gatherings are prohibited. What should we pray for? M. Jose Ahn says, *“This is a really hard time for anyone, but as Christian soldiers, we can turn this to be the best time to have a deeper, independent and personal relationship with our Lord Jesus. We can and must also take care of any needy, lost souls with prayer and DB and Bible verses and encouragement not to fear but to fear God who is in control of all these!”*

Let's pray that this worldwide coronavirus outbreak may end soon. Let's also pray that God may protect all our coworkers around the world, especially those in Asia (C nation, Korea, Japan), Europe, North America and Africa. Now many American chapters decided to hold **worship services online** and conduct **Bible studies online**. We pray that two Latin American Conferences and Q nation conference scheduled in April may not be affected by coronavirus.

May God turn this crisis into an opportunity through which we can deepen our personal relationship with Jesus. Let us renew our faith in God who is the ruler of all kings and the kingdoms on earth.
